

[Assist with manually manoeuvring horse drawn vehicles and implements for transport]

Overview

This standard is about being able to assist with manually manoeuvring horse drawn vehicles and implements for transport, and manoeuvring for maintenance and storage after use. It involves being able to assist with lifting light, moderate and heavy weights.

You will be able to assist with pulling, pushing and steering wheeled horse drawn vehicles, or lifting horse drawn agricultural implements into the transport vehicle, using winches where fitted, tying down securely for transport, and replacing in the storage area after use.

The work described in this standard would be carried out following agreement of responsibilities with a supervisor.

You will need to be fully aware of the importance of animal health and welfare and health and safety in connection with this work.

You will need to be able to recognise hazards and assess risks within the workplace.

[Assist with manually manoeuvring horse drawn vehicles and implements for transport]

Performance criteria

You must be able to:

- P1 Establish your role and responsibilities in relation to this activity
- P2 Manoeuvre the wheeled horse drawn vehicle or implement into position for transport
- P3 Use appropriate lifting aids to move the implement onto transport
- P4 Attach to a winch, where available, and winch onto transporter
- P5 Secure implement for transport
- P6 Remove the vehicle/implement from the transporter after transport
- P7 Maintain safety of self and others and the welfare of the horse at all times.

[Assist with manually manoeuvring horse drawn vehicles and implements for transport]

Knowledge and understanding

You need to know and understand:

- K1 Your responsibilities in relation to this activity
- K2 How to steer or lift the vehicle/implement into the correct position for loading onto the transport vehicle
- K3 How to attach a winch correctly
- K4 How to use a winch correctly
- K5 How to push, pull or lift the vehicle/implement onto the transporter
- K6 How to secure the vehicle/implement for transport
- K7 How to unload the vehicle/implement following transport
- K8 How to work with others to manoeuvre, load and unload horse drawn vehicles or implements for transport
