

LANEQ403

Manage the training of horses

Overview

This standard is for those who are involved in managing the training of horses including supervising the breaking and riding of horses. This standard also deals with managing and supervising the education of the horse including mouthing, lunging or long reining, backing and riding away and the introduction to the breaking equipment, ground work and backing.

This standard also includes the acceptance of discipline, simple movements and working in the company of other horses.
