

LANEQ505

Drive specialist turnouts

Overview

This standard is about being able to drive specialist turnouts. It includes being able to select horses to form a specialist turnout according to their fitness, experience and ability to work together. You will be able to make informed decisions relating to the positioning of individual horses in the specialist turnout. You will be able to select and fit harnesses for a range of specialist work, and select from a range of suitable horse drawn vehicles.

The standard includes being able to direct the activities of the Harness Horse Grooms crew whilst preparing horses to be driven, putting-to/taking out and whilst driving.
