

SFHGEN37

Schedule theatre and staff time for living organ donation

Overview

This standard is about identifying, organising and mobilising the surgical, anaesthetic and ancillary resources necessary for an efficient transplantation operation.

Users of this standard will need to ensure that practice reflects up to date information and policies.

SFHGEN37

Schedule theatre and staff time for living organ donation

Performance criteria

You must be able to:

- P1 make an accurate estimate of how long the theatres are required and which staff need to be involved
- P2 ensure that the theatres are within easy access of each other
- P3 ensure timely transfers of donor and recipient if the same theatre is being used
- P4 communicate your requirements as soon as possible to the theatre manager and staff manager
- P5 communicate your requirements as soon as possible to the anaesthetic department
- P6 communicate if necessary with ICU staff that the operation is taking place and confirm availability of bed space

SFHGEN37

Schedule theatre and staff time for living organ donation

Knowledge and understanding

You need to know and understand:

- K1 strategic overview
- K2 resources required for renal transplant operations
- K3 organisational communication pathways
- K4 how to adapt communication styles in ways which are appropriate to different people
- K5 the importance of establishing rapport and how to do so
- K6 how to ask questions, listen carefully and summarise back
- K7 the importance of encouraging individuals to ask questions and how to do so
- K8 the religious beliefs of different cultures
- K9 the effects of different cultures and religions on care management and effects on family dynamics
- K10 the principle of confidentiality and what information may be given to whom
- K11 the importance of involving individuals in discussions, and how to do so
- K12 how to negotiate effectively with individuals, families and other professionals
- K13 the principles of evidence-based practice, and how to apply them
