SFJPE3.1 Manage a budget

Overview

This unit is about having ownership of and being responsible for a budget for a defined area or activity of work. It initially involves preparing, submitting and agreeing a budget for a set operating period. It also involves monitoring actual performance against the agreed budget and taking necessary action in response to identified variances and any unforeseen developments.

The unit is recommended for first line managers.

SFJPE3.1 Manage a budget

Performance criteria

You must be able to:	P1	evaluate available information and consult with others to prepare a
		realistic budget for the respective area or activity of work
	P2	submit the proposed budget to the relevant people in the organisation for approval and to assist the overall financial planning process
	P3	discuss and, if appropriate, negotiate the proposed budget with the relevant people in the organisation and agree the final budget
	P4	use the agreed budget to actively monitor and control performance for the respective area or activity of work
	P5	identify the causes of any significant variances between what was budgeted and what actually happened and take prompt corrective action, obtaining agreement from the relevant people if required
	P6	propose revisions to the budget, if necessary, in response to variances and/or significant or unforeseen developments and discuss and agree the revisions with the relevant people in the organisation
	P7	provide ongoing information on performance against the budget to relevant people in your organisation
	P8	advise the relevant people as soon as possible if you have identified evidence of potentially fraudulent activities
	P9	gather information from implementation of the budget to assist in the preparation of future budgets
