

## SFJPSG2.1.1

### Provide leadership in your area of responsibility

---

#### Overview

The unit is about providing direction to people in a clearly and formally defined area or part of an organisation and motivating and supporting them to achieve the vision and objectives for the area.

The 'area of responsibility' may be, for example, a branch or department or functional area or an operating site within an organisation.

This unit should be used in conjunction with your organisation's own leadership behaviours.

It reflects best practice within aspects of the PSG core skills, and in particular to aspects of 'People Management'.
