

SFJPSG2.1.2

Provide leadership for your organisation

Overview

This unit is about providing direction to people in the organisation and enabling, inspiring, motivating and supporting them to achieve what the organisation has set out to do. It is expected that you will be aware of and be able to apply different styles of leadership appropriate to different people and situations. For the purposes of this unit, an 'organisation' can mean a self-contained entity such as a private sector company, a charity or a local authority or a significant operating unit, with a relative degree of autonomy, within a larger organisation.

This unit should be used in conjunction with your organisation's own leadership behaviours. It reflects best practice within aspects of the PSG core skills, and in particular to aspects of 'People Management'.
